Dear Friends and Colleagues,

First of all, we want to thank everyone who has supported the conference. We appreciate the time and energy put into the abstracts we have received so far. Due to an outage of the RIO platform over the new year holidays, we have decided to extend the deadline for everyone. We also understand that many are facing multiple deadlines and a whole host of unprecedented pressures coming out of the pandemic. So we hope that these extra couple of weeks will help in some way.

The new deadline is Tuesday 24th January 2023 at 11:59pm (Singapore Standard Time).
